

# Burnaby Horsemen's Association Policy: Haul Away Bin Usage

Approved: MARCH 28 2022

---

## Applicability

This policy details the regular usage of the haul away bin and outlines the charges members must pay for additional disposal.

## Policy

The haul away bins located at Barn 1 and Barns 2 / 3 are intended for the daily dumping and disposal of soiled bedding and hay from the members' stalls and paddocks. Where possible, composting should be done to minimize the amount of material dumped into the bins and to reduce haul away costs – see Manure Shed Policy.

Periodically, members may need to resurface their paddocks or dispose of excess hay from lofts and then dump more than the daily amount into the haul away bin. When this occurs, members are to follow the BHA Procedure 'Extra Use of Bin'.
